EDGE MAIN DINING RESTAURANTS

Four Main Restaurants Our goal to open your world through the culinary experiences we provide comes to life on Celebrity Edge. We rethought everything when we designed Edge—including our main dining experience. Choose from not one, but four complimentary, main restaurants, each with a distinctive design and ambience inspired by a specific region of the world.

Celebrity Edge® offers not one but FOUR complimentary main restaurants—Normandie, Tuscan, Cosmopolitan, and Cyprus. Every restaurant features the same mouthwatering menu that changes nightly, plus each one offers its own ambience, along with a selection of exclusive, regionally inspired dishes and drinks.

We may have reinvented the main restaurant experience, but we haven't changed the way you plan your dining in our new main restaurants. You can still choose traditional early or late seating for your dining times, which allows you to enjoy dinner at the same table with the same waiter every evening. You'll be assigned one of the four main dining restaurants, while having the option to dine in the other three upon request.

On Celebrity Edge, we continue to offer our Celebrity Select Dining option, but because you have four restaurants to choose from, we've renamed it Celebrity Select Dining Plus. This option allows you to dine when and where you'd like each evening. You can make reservations in any of the four restaurants, if you know you want to eat at a specific time and restaurant. The choice as to how you plan your evening meals is, as always, up to you.

Cosmopolitan Restaurant

We know our current main dining experience across our fleet is one of the reasons guests sail with us time and time again. To maintain this essence of the Celebrity dining experience on Edge, we created the Cosmopolitan Restaurant—the next evolution of our current main restaurants. The walk-through wine display at the entrance sets the scene for the creative cuisine within—new American with global influences.

Normandie Restaurant

With ties to our elegant Murano specialty restaurant on many of our ships and a nostalgic nod to Celebrity Summit® (wooden panels from the ship are incorporated into the design), Normandie Restaurant features contemporary French cuisine in a modern, upscale, refined space that evokes the romance of springtime in Paris. Enjoy regional European wines, deliciously unique cocktails, tantalizing starters, and mouthwatering entrées.

Tuscan Restaurant

Step inside and discover the delicious ambiance – a modern classical design centered around Italian fashion and film. Savor mouthwatering cuisine inspired by authentic southern Italian eateries, featuring all homemade pastas prepared with a rustic flare. Your taste buds will get a tour of southern Italy without even stepping ashore.

Cyprus Restaurant

Dear to our hearts, this restaurant represents our Greek heritage. We wanted to create a stunning atmosphere that would represent the Mediterranean fare served here, so we worked with world renowned designer, Patricia Urquiola. In Cyprus, the menu's main focus is seafood and features simple, clean dishes that celebrate the food and beverages of the Mediterranean region.

EXCLUSIVE DINING

Luminae at the Retreat®

Dining on Celebrity Edge is an exclusive affair for guests of The Retreat with access to a private restaurant, Luminae at The Retreat®. Luminae is sumptuously designed by Kelly Hoppen and features daily changing menus not available in any other restaurant on board.

Blu

AquaClass® guests will enjoy this exclusive restaurant featuring clean, crisp flavors and inventive cuisine complemented by an extensive list of sustainable, biodynamic wines. Pair all of that with personalized service, inviting surroundings, and natural light, and you have the fresh and bold experience of Blu.

COMPLIMENTARY DINING

Eden Café

Eden Café offers a wide variety of morning beverages and casual culinary bites. Three stories of windows bring in the shimmering morning light to create a bright and airy atmosphere, and change as the mood shifts from breakfast to lunch, plus al fresco dining is available on either side of the café.

Spa Cafe and Juice Bar

After indulging at the spa, grab something fresh and flavorful. You'll love our creative take on healthy cuisine with nourishing salads and nutritious smoothies.

Oceanview Café

Featuring sweeping two-story, floor-to-ceiling windows, the Oceanview Café lives up to its name more than ever before. One of our signature favorites, we've added more live action stations, including an Asian stir fry station with flavors inspired by the spice route and a bakery serving up fresh selection from the oven.

Mast Grill

There's no better place to sample some hearty fare than on the top deck at the Mast Grill. Enjoy ocean views and curb your hunger with a burger, salad, or sandwich in a relaxed, poolside atmosphere. Cheers!

ENTERTAINMENT ON EDGE

THE THEATRE 900 seats (fixed & loose seating)

One of the most expected entertainment venues you'll find on Celebrity Edge is also the most unexpected. A truly contemporary space designed to blur the line between audience and performance, The Theatre immerses you in an unparalleled entertainment experience where the performances are as innovative as the space itself.

Four stage areas and three giant, moving projected backdrops offer an ever-changing canvas for the productions that live here. A main stage extends into and above the audience, taking performances to a whole new level—literally. With rotating spiral staircases, 18 synchronized projectors, aerial rigging, and more, the technology behind the scenes in The Theatre is so dynamic, it not only showcases the performers, but at times it will steal the show

Video Projections 120 ft wide (160 degree) x 21.6 ft tall projection screen = 2,600 square feet of video.

First of its kind, sliding projection screens open and close three outer stages and two spiral stairs. 8 total screens on 3 separate tracks provide 16 different configurations. 4-meter diameter multi-level lift and turntables. One of a kind two level circular lift; each with the ability to spin independently. We are calling this the “Layer Cake” lift. Rotating Spiral Stairs: For access to the catwalks and to be used as part of the show; allowing performers to walk up or down while remaining in the same place facing the audience. This will also provide an opportunity to create a “corkscrew effect” when used in conjunction with the video projections. Three performer flying rigs in fly loft.

THEATRE SHOWS

Kaleidoscope

“Dance through a colorful lens” A high energy pop art concert – a mash up of color and music.

A Hot Summer's Night Dream

In A Hot Summer Night's Dream, you'll be thoroughly immersed in a light-hearted journey that fuses music with extraordinary acrobatics and yes—a little bit of Shakespeare. It's a tale of love, intoxication, and midnight madness.

Colors of Life

Our hero, Homer, is stuck in a black-and-white world until a mysterious muse helps him discover a more colorful way to look at life. Join us on this uplifting musical journey that'll inspire everyone from the young to the young at heart, featuring gravity-defying acrobatics, breathtaking choreography, and iconic songs spanning the generations.

Hype:

Headline entertainers combined with a carefully curated set list, fearless musicianship, and dynamic dancers creates an authentic and uplifting musical experience that will energize and inspire.

EDEN

Chillful. Playful. Wonderful

Designed in collaboration with Scott Butler and Patricia Urquiola, Eden is a natural wonderland that offers stunning views from the nearly 7,000 square feet of windows—the most outward-facing glass of any room at sea.

It also invites you to immerse yourself in the ever-evolving, multi-sensory experiences that transition from chillful to playful to wonderful.
